MUSICAL INSTRUMENTS

We are selling musical instruments at the lowest known margins. In considering Xmas presents would not a Mandolin, Violin, Ukulele, Guitar, Tenor Banjo, Clarinet, etc. be appropriate?

INGERSOLL AND EVERSHARP PENCILS

A gift that lasts as long as the memory. A sincere and lasting gift is an Ingersoll or Eversharp pencil. In each word written is a remembrance of the giver.

During the Holidays we are closing out our popular line of Columbia Grafonolas and Records. These machines and records are all new, good stock and we are offering them at prices unheard of before in Safford in order to make room for our regular line of Victor machines and records which we also call to your attention at the regular popular prices.

Bring into your home and the presence of your children at any hour, on any occasion, artists who are accustomed to the appreciation of Queens and Kings—on a COLUMBIA OR VICTROLA.
